

RESA Power uses Lanlogic for Complex Microsoft Office 365 Migration

RESA Power had acquired many companies, all across the US. The current email system had too many admins, protocols, IMAP, POP and Exchange. They had 14 email receiving domains, 3 different hosted providers, and users had 5 different aliases. The goal, to move everyone to Microsoft Office 365. They needed a company to help migrate their complex email, Lanlogic provided that solution.

RESA POWER THE MARKET LEADER IN THE INDUSTRY IN SOLUTIONS FOR POWER DISTRIBUTION EQUIPMENT.

RESA is comprised of business units across the United States specializing in various power distribution and circuit protection. RESA Power has four distribution facilities and nine service centers across the U.S. RESA employs field sales engineers in 14 states and services every major US metropolitan area. RESA has been operating since 1928 and caters to low and medium voltage electrical distribution markets.

FINDING IT PROVIDERS WHO ARE EXPERTS IN THEIR FIELD
